The Drake features something for everyone! Act now to choose design selections to fit your style. Located in the center of the home, the kitchen is truly the heart of the space. The modern galley-style layout features a massive island, large enough for 4 large barstools, and overlooks both the family room and the great room. A truly open design, from the front to the rear of the home, it's the perfect space to entertain. The large deck off of the family room completes the space and is included. Upstairs, at over 13x16 the owner's suite is large enough to accommodate even the largest bedroom sets. It is complimented by a spacious owner's bathroom with seated shower and spacious walk-in closet. Two additional bedrooms, hall bathroom, and laundry room complete the third level.
