Luxury homes with modern features, available basements & spacious yards in Giles Preserve; Atlee's premier amenity-filled community. Schedule your private 1-on-1 tour today! When you hear the word compromise, it often means being okay with less than you'd hoped for. Luckily there's a home model where compromise is not part of the plan. It's called the Lehigh. The Lehigh offers looks and smart design in equal measure. You get a choice of beautiful facades on the outside, and grand, light-filled spaces on the inside. But you'll also enjoy its convenient, flexible floorplan and generous room for storage. No trade-offs here! The foyer is open and airy, and can be whatever you imagine playroom, living room, formal dining room. You could make it a glass-doored library for some old-world charm.
