PLAN

**\$565,990 2 Beds | 2 Baths | 1 Half Bath | 3 Garage**

This new home features a split three-car garage and an open layout among the family room, kitchen and breakfast room, which leads to a covered porch for outdoor experiences. Nearby, a Next Gen suite with a separate living room, kitchen, bedroom and bathroom is perfect for multigenerational living. An optional second floor hosts a bonus room and a secondary bedroom. An unfinished basement is ready to be transformed.
