Welcome to The Paxton, a 3-bedroom, upper-level condo that's truly one-of-a-kind. The open-architecture design of the Paxton is impressive. When you enter the main level, the expansive kitchen, dining, and family room areas open-up to each other to provide a continuous view from the front of the condo to the back, which is helpful whether you're hosting an intimate dinner party or a larger gathering. Upgrade to a gourmet kitchen, and you'll be ready for anything. A balcony off the kitchen gives you even more space for entertaining. Make your way upstairs and you'll find 3 bedrooms, including a spacious Owner's Suite retreat. A convenient bedroom-level laundry room also takes the chore out of doing the laundry.
