PLAN

\$409,990 3 Beds | 2 Baths | 1 Half Bath | 2 Garage

This home features convenient main level living with a kitchen with island opening to a dining room and two-story Great Room. A spacious owner's suite is also on the main level. Upstairs, is a spacious loft overlooking the Great Room, along with two bedrooms which could be used as an office or for guests. Customize this home to add an optional fourth bedroom and an optional finished basement with full bath.
